

Competition Development Curling Coach Program Registration Form

**CANADIAN
CURLING
ASSOCIATION
CANADIENNE
DE CURLING**

As of December 31, 2013 Level 3 Technical no longer exists, replacing it will be a new, comprehensive program called “Competition Development.” The program is being administered and delivered by the Canadian Curling Association nationally and is open to all Provinces/Territories. Our goal is to move the workshop around the country, but this year it is being offered in Ontario. This program is designed to assist the coach in taking their teams to the next level of provincial, national or international play. This workshop focuses on the planning, strategy, analysis and program management needed to improve your team’s performance. Coaches should be actively working with a “Training to Compete” level team during this program. There is a small Wheelchair curling component, so coaches working with Athletes with a Disability would also benefit from this program. Most provincial/territorial coaching associations have funding assistance available for Competition Development Training Tuition and travel costs. While ice time is minimal in this workshop, curling gear will be required.

During this training coaches will learn:

- Current Technical Skills
- How to Analyze Technical and Tactical Performance
- Performance Planning
- Program Management
- Advanced Strategy
- Advanced Practice Planning
- Prevention and Recovery (Integrated Multisport Module)
- Developing Athletic Abilities (Integrated Multisport Module)

Program will take approximately 14 months to complete, as it requires writing, implementing, executing and debriefing an annual plan. In addition to the annual plan portfolio, two observation evaluations (a practice and a competitive environment) must be completed. Five webinars will be scheduled in the fall for material not covered in the in-person workshop. Coaches will need to complete the Competition Development Make Ethical Decision Online Evaluation, and will need to complete the four remaining Competition development multisport modules – Managing Conflict, Coaching and Leading Effectively, Psychology of Performance and Leading Drug Free Sport.

There is a pre-task requirement before the workshop, that information will be sent to you when your registration is received.

Date: March 27-30, 2014 (Thurs 9 am-10 pm, Fri & Sat 9 am-6 pm, Sun 8 am-12 pm)
Location: Glendale Golf & Country Club, 401 Mount Albion Rd, Hamilton, ON
Cost: \$450.00 for training workshop and future webinars (evaluation fees extra – to be paid at time of evaluation). Cheques made payable to Canadian Curling Association.
Prerequisites: Coaches should be certified Level 2 in the old system or Certified Competition Coach. Exceptions may be possible for coaches who are certified in other sports, or competitive players entering the coaching world.
Accommodations: A block of hotel rooms are being held at Casablanca Winery Inn in Grimsby, Ontario – if you would like one of these rooms please notify Jennifer Ferris by February 12, 2014 (\$129.00/night – double room) – unfortunately there is a very large marathon in Hamilton that same weekend, every hotel is booked in the city. Grimsby is approximately a 15-18 min drive from Glendale Golf and Country Club.

Competition Development Curling Coach Registration Form
