

The Northern Ontario Curling Association is excited to provide an opportunity to help raise funds for your club.

NOCA, in collaboration with Curling Canada, "The Spirit of Curling" Calendar and TheCommunityFundraiser.com is pleased to offer you the Club Calendar Fundraising program.

Here's how the program works:

["The Spirit of Curling" Calendar](#) makes a great Christmas gift. Your club can order the calendar at a discounted price, directly from Rick at www.thecommunityfundraiser.com/

- Your club buys calendars for \$10 each (order 25 or more and TheCommunityFundraiser.com pays the shipping).
- Then you can resell them for \$20 (cheaper than the online price of \$29.95!).
- That means \$10 goes directly to your club to help with programs, repairs, and other club needs.
- **And that's it! Simple and easy.**

For every calendar sold, TheCommunityFundraiser.com will also donate \$1 back to NOCA to help with the programs and services we offer across the province. They will also be donating a portion to support scholarships and the Rocks & Rings program through the Curling Canada Foundation. **But the \$10 profit is your club's to keep!**

This year's calendar features some of the top teams from around the world and includes all the major curling events. It is a beautiful calendar- perfect for the curling lover on your list!

For more information or to place your clubs order, please see the attached flyer.
