Information Pamphlet

This camp is a wonderful opportunity for young curlers to grow in their knowledge of the game, and to experience many of our top coaches from Ontario and other parts of Canada. This year, National Coaches from Canada will be on staff full-time as will the former National Coaches from Germany, Netherlands, and Austria. The staff includes our best Provincial Coaches and several graduates of the camp who have experienced success at the National level of competition. Our staff of coaches are great teachers of the sport.

Besides the development of his or her skills, each camper will meet other young people who love the sport and wish to improve. Many friendships will be developed and the possibility of forming new teams always exists. These are the young curlers who will continue to meet and compete with each other for years to come.

BUS TO AMETHYST

We will once again be offering a bus service (for the northwestern Ontario corridor down Highway 11 through Timmins) to and from the Amethyst Curling Camp in Sudbury. The bus transportation form can also be accessed and downloaded online. We ask that our bus transportation form be mailed-in with your registration form. This bus is certainly a great assistance with transportation.
