Competitor Guide 2017 NOCA Women's Provincials

NOCA WOMEN'S PROVINCIALS:

Your team has decided to participate in the NOCA Women's Provincial being held January 18 – 22, 2016 at the Nipigon Curl-A-Drome in Timmins. The winning team will represent Northern Ontario at the 2017 Scotties Tournament of Hearts to be held February 18 – 26, 2017 in St. Catherines, Ontario.

This event is open to all female competitors - no age restriction.

The title sponsor of this event is Kruger Products a long-time supporter of curling across Canada.

The total entry fee is \$475 which includes a competitor fee of \$45 for each of four players.

Competitor Guide 2017 NOCA Women's Provincials

COMPETITION FORMAT:

The 2017 Northern Ontario Scotties Championship format will be:

Two teams - Double Round Robin

Three or Four teams – Double Round Robin with a Final

Five teams - Single Round Robin with a Final

Six to Eight teams – Single Round Robin, Semi-final and Final

Nine or more teams – Triple knockout, 3 qualifiers, Semi-final and Final

In all triple knockout draws, teams will be required to peer rank each team involved in the draw except their own. Final rankings will be prepared by the Executive Director and/or Competitions Chair.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – Round Robin & Triple Knockout

Round Robin Draws:

In each draw the team listed first shall have top of the scoreboard color and practice first for nine (9) minutes, beginning thirty (30) minutes prior to the posted draw time. The team listed second, shall have bottom of the scoreboard color and practice immediately following the first team's draw to the button for last stone advantage.

A team is allowed to throw its own stones during practice and not those of the opposition.

Triple Knockout Draws:

In each draw the teams shall flip a coin, for choice of rock color or first/second practice, a minimum of forty (40) minutes prior to the scheduled draw time.

Last Stone Advantage:

Last stone advantage in the first end (hammer), will be decided by a draw to the button following each team's nine (9) minute pre-game practice. Within one (1) minute following the pre-game practice and the Umpire's announcement, a player from the team will deliver a stone (full sweeping allowed) and the closest draw to the button between the two teams will receive last stone advantage in the first end.

The team practicing first will deliver the clockwise turn. The team practicing second will deliver the counter clockwise turn. Failure to throw the correct turn will result in a distance of 185.4 cm being assigned. Teams must notify the Umpire prior to the first practice of the names of the players delivering stones. Failure to do so will result in a distance of 185.40 cm being assigned to the team(s).

If the first team records a distance of 0.00 cm or 185.40 cm with their first stone, a second player from that team will deliver a second stone with the same clockwise turn. If that player records a distance of 0.00 cm or 185.4 cm, the first team shall leave the ice and the second team will practice. If the second team records the same first throw distance as the first team, then another player from the second team will deliver a second stone with the same counter clockwise turn. If the teams are still tied, the teams will alternate players delivering one (1) stone until the tie is broken (using the same assigned turn). Any player on the team can deliver the third and any subsequent stone if necessary.

Competitor Guide 2017 NOCA Women's Provincials

Only the four 'game' players are allowed on the ice surface during the determination of hammer.

NOTE: Total Draw Distance is the cumulative total of all draw distances for last stone advantage (hammer), in each game, for each team (excluding tie-breakers and playoff games). Only the first draw attempt for last stone advantage will be recorded for the Total Draw Distance required at the end of round robins to break unsolvable ties. The highest draw will NOT be counted in the Total Draw Distance (unless there are only two teams playing in the event).

Each lead, second, third and skip on each team will deliver a minimum of one (1) draw shot for last stone advantage during the event. The draw to the button shall be played towards the home end. A team utilizing a fifth player must have a minimum of four (4) team members throw the draw for hammer during the event.

Umpires will assume that every team that wins the last stone draw will want the last stone in the first end. If there is any time that a team does not want the last stone if they win the last stone draw, then they must inform the Umpire before the start of their practice.

Opposing teams must remain behind the glass during their opponent's pre-game practice. If that is not feasible, then the opposition must stand as far behind the sheet as possible, so as not to distract or intimidate the other team.

Stones not delivered within the time allotted by the umpire will be assigned a distance of 185.40 cm (the stone must reach the nearer tee line before time expires).

A draw to the button for last stone advantage that is moved by a team member prior to the measure will be assigned the distance to the next defined circle away from the button.

- In or touching the button = 15.24 cm (subject to change if the bottom diameter is more than one (1) foot)
- In or touching the four foot = 60.96 cm
- In or touching the eight foot = 121.91 cm
- In or touching the twelve foot = 182.88 cm

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to as close to its original position by the delivering team.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – PLAYOFFS & TIE-BREAKERS

THREE or FOUR teams – Following the conclusion of the double round robin competition the top two (2) teams will play in a FINAL championship game.

FIVE teams – Following the conclusion of the single round robin competition the top two (2) teams will play in a FINAL championship game.

SIX or SEVEN or EIGHT teams – Following the conclusion of the single round robin competition the top three (3) teams will advance to the playoff round. The teams that finished second and third will

Competitor Guide 2017 NOCA Women's Provincials

participate in a SEMI-FINAL with the winner of the semi-final then playing the first place team in the FINAL championship game.

Teams that complete the round robin with identical win/loss records are considered to be tied. Teams tied for a qualifying position shall only be eliminated by playing a tiebreaker game(s).

The Chief Umpire will make all decisions with regard to the administration of tie-breakers. Additional information relative to tie-breakers and sheet assignments will be discussed by the Chief Umpire with the teams involved after the last game of the round robin. (see NOCA Tie Breaker Review Document)

Immediately after the two or three playoff positions have been determined and prior to each playoff game, each team involved in the next scheduled playoff game shall be asked by the Chief Umpire to select their choice of stone handle color. Each team shall be allowed a maximum of 15 minutes to make its selection. Failure to comply shall result in a set of stones being assigned. Upon the conclusion of each playoff draw, the same process shall be implemented again. In all playoff games a complete set of rocks from any sheet must be chosen.

In all playoff games, a team finishing ahead of another team (according to win/loss record) will gain last stone advantage **AND** choice of stone colour.

When the round robin win/loss record of the two teams involved in a playoff or tiebreaker game(s) is the same, the team that won the game between the two during the round robin shall have choice of either last stone **OR** stone colour **UNLESS** their ranking has been determined by the Total Draw Distance, then those results shall provide **choice of color AND second practice**. In this situation the draw to the button for hammer shall be used.

When last stone has not been determined by a draw to the button, the team delivering the last stone in the first end will practice first.

When a semi-final and final are scheduled, the first place team's access to practice ice will be at the discretion of the Chief Umpire. All practice sessions will be supervised and the length of the practice will be at the discretion of the Chief Umpire.

Tie-Breaking Process

When teams are tied for a qualifying position, the win/loss record of those teams against each other shall be used to determine their ranking and therefore how the teams are positioned in any tie-breaker game(s).

If a complete ranking of the tied teams cannot be established by a single comparison of the win/loss record of all tied teams, and ties still remain, a second comparison for ranking shall be made utilizing the win/loss records of only the remaining tied teams.

When ranking of tied teams eligible for tie-breaker(s) cannot be established by successive comparisons of win/loss records, i.e. unsolvable ties, only those teams that remain tied after such comparisons shall be ranked by implementing the ranking based on the Total Draw Distance of pre-game draw shots to the

Competitor Guide 2017 NOCA Women's Provincials

button for last stone advantage (the highest draw shot will NOT be counted unless there are only two teams in the event). The least accumulated distance shall receive the highest ranking until the ranking has been completed (this will apply to any teams that split their round robin games, after a double round robin).

All tiebreakers shall be played with the stones from the sheet assigned. Stone handles shall not be changed from one set of stones to another.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – TRIPLE KNOCKOUT PLAYOFF

In the triple knockout draw, three (3) qualifiers will be declared with one (1) 'A', one (1) 'B', and one (1) 'C' qualifiers.

Following the conclusion of the triple knockout qualifier competition, the 'B' and 'C' qualifiers will play in a semi-final game with the winner then playing the 'A' qualifier in the final game.

Immediately after the final three playoff positions have been determined and prior to each playoff game, each team involved in the next scheduled playoff game shall be asked by the Chief Umpire to select their choice of stone handle color. Each team shall be allowed a maximum of 15 minutes to make its selection. Failure to comply shall result in a set of stones being assigned. Upon the conclusion of each playoff draw, the same process shall be implemented again. In all playoff games a complete set of rocks from any sheet must be chose.

In the semi-final game, the 'B' qualifier will have last stone advantage (hammer) **or** choice of color. In the final game, the 'A' qualifier will have last stone advantage **and** choice of stones from all stones used in the event.

The 'A' qualifier's access to practice ice will be at the discretion of the Chief Umpire. All practice sessions will be supervised and the length of the practice will be at the discretion of the Chief Umpire.

SCHEDULE & LOCATION FOR EVENT:

The schedule and location of this event will be posted on the NOCA website.

NOTE: If the NOCA deems that due to circumstances that have developed that it is in the best interest of the competition to change the hosting venue, then the venue may be changed.

Competitor Guide 2017 NOCA Women's Provincials

GENERAL INFORMATION: (this section is common to all Competitor Guides)

ACCOMMODATIONS:

It is your team's responsibility to reserve your own rooms at one of the host venues.

DRESS STANDARDS:

Teams are required to wear appropriate curling apparel. Any clothing that is inappropriate as deemed by the Umpire will need to be replaced.

As a reminder please ensure all footwear is clean and free of any loose debris. The ice-team has spent countless hours preparing the surface and it is unfortunate to lose rocks to something that is totally under your control.

CRESTING/SPONSOR IDENTIFICATION

1. A team participating in a NOCA competition shall be allowed to wear non-competing sponsors' crests. If NOCA sponsor provided clothing is supplied, players are asked to wear such clothing either during games or off-ice.
2. The NOCA cresting rules allow for all teams to wear non-competing sponsors' crests. Any competing sponsors' crest will be deemed non-conforming and you will be asked to remove or cover it for the duration of the event.

OFFICIAL OBLIGATIONS:

A member of each team may be called upon to offer special thanks to the Committee, the sponsor and the NOCA at different functions during this event. At a provincial event there will be a banquet/luncheon/social event at which sponsors may be present. Sponsor relations are integral to running a successful event so team attendance at this function(s) is required.

MEDIA RELATIONS:

The media may be represented at this event. They will be located in the building but will not be allowed access to the dressing rooms. They will have access to you through the host committee who will approach you with any request for interviews. We ask that you co-operate with the media by granting interviews and answering questions when requested. However a word of caution is offered – make certain that you do not make reference to anything that you do not want quoted. Also, if you have any problems or complaints, express them to the appropriate umpire and not the news media. There is no such thing as an "off the record" comment.

The landscape has changed in terms of the way players, fans, and the media interact, and it's recognized that the various forms of social media represent a valuable opportunity for communication. Competitors are encouraged to embrace these social media as they present avenues to promote the game of curling as well as their own teams; however, there are certain responsibilities attached to the use of these social media outlets.

NOCA has a Social Media Policy that all competitors and coaches are encouraged to read. It is located here: [Policy Directory](#)

Competitor Guide 2017 NOCA Women's Provincials

ATTENDANCE AT THE CHAMPIONSHIP:

All competitions are considered to have started one hour prior to the scheduled pre-competition practice or team meeting. All players must arrive at the Championship at the designated time, attend all functions and remain at the event until they are eliminated. Any player leaving the competition without prior authorization may be suspended from NOCA competitions for the following year.

CONDUCT:

Curling is based on a code of ethics, good sportsmanship and personal integrity. Inappropriate behaviour including inappropriate language will not be tolerated at any time. Display of emotion, broom banging, etc., which results in damage to any areas or part of the playing surface, players' dressing rooms or any other area of the curling club or hotel will result in suspension for one game. Subsequent infractions will result in suspension for the remainder of the championship. You are expected to follow the rules of the game throughout the competition.

The consumption or use of alcoholic beverages by any player or coach at any time during a Junior or Bantam competition is strictly prohibited. This rule shall extend from the start of the first day of play to the end of the final day of play.

PENALTIES AND RULE ENFORCEMENT:

The CCA Rulebook has a number of different sections. You should be familiar with the section titled Rules of Curling for Officiated Play (Sept. 2014 – Sept. 2018).

The Chief Umpire is responsible for rule enforcement and interpretation in all areas covered by the Rules of Curling for Officiated Play, Board policy or precedent. The Chief Umpire's decision will be final except in matters involving disciplinary action.

The NOCA Board shall be responsible for all matters involving disciplinary action and such matters should be referred to the NOCA Executive Director and Competitions Committee Chair. In emergency situations the Chief Umpire may have to act immediately in areas outside of rules, policy or precedent. In these situations, the Chief Umpire is the final authority.

Every rule has an enforcement procedure that will be followed at this Northern Ontario Playdown or Championship. **It should be noted that there are no warnings for any infraction unless it is stated in the rulebook or brought to your attention by the Umpire prior to the start of the competition.**

Players and coaches should be familiar with the NOCA SPECIAL RULES.

ATHLETE DOPING:

The Canadian Centre for Ethics in Sport may conduct unannounced doping tests. If you have any medical issues and/or are on any medications that may cause you to fail a drug test it is your responsibility to notify the organization prior to the start of competition. **"I did not know" is not a viable answer. It is your responsibility to know what you are taking.**

The Canadian Centre for Ethics in Sport manages the Anti-Doping Program (CADP) in Canada in partnership with the World Anti-Doping Agency. Please review both sites and the list of prohibited substances. <http://cces.ca/canadian-anti-doping-program> and www.wada-ama.org/

Men and Mixed) he/she will pay the Curling Canada Competitor Fee for each event.
3. At all levels of competition, prior to the start of the first game, the Chief Umpire may ask for proof of age.

LATE TEAM ARRIVALS:

If a team fails to arrive on time to play its first game or any subsequent games in this competition, the team will forfeit the game(s). Illness, accident or extenuating circumstances will not be considered unless the number of teams involved makes it impossible for the competition to continue. If a team arrives too late to participate in the scheduled pre-event practice they will forfeit that right. All issues of late arrival shall be reviewed by the Chief Umpire in consultation with the Competitions Chair or delegate prior to final determination. The only exception to the above rules will be severe weather that was not predicted. (i.e. Freezing rain or severe snowstorm)

DEFAULTS:

Games in an Event:

1. Teams must play all games unless both teams have been eliminated from qualifying for playoffs or the next level, and there is no impact on the standing which affects the ranking of teams for qualifying positions when advancing to the next level. Failure to play a game which affects a qualifying team's ranking may result in the offending team's elimination from further competition for the balance of the current season and the next.

Competitor Guide 2017 NOCA Women's Provincials

After qualifying for next level of competition:

1. Where a qualifying team in a Region or Qualifier is unable or unwilling to continue in a competition, the team representative shall notify the NOCA Executive Director to this effect, within twenty-four (24) hours after qualifying for the next level of competition. That team will not be entitled to the position, rights, privileges and awards as it has defaulted and may be suspended. A runner-up team from that competition shall be entitled to the position, rights, privileges and awards of the team that has defaulted.
2. Each member of a team that defaults during any level of competition, subject to paragraphs 3 and 4 below, may be suspended. The length of the suspension will be determined by the NOCA Competitions Committee on a case-by-case basis.
3. The NOCA Executive Director shall notify each member of a defaulting team in writing of such suspension and the method of appealing the suspension. A suspension may be appealed in writing and/or in person to the Board of Directors within a period of two (2) weeks from notification of suspension and in such event the suspension shall be lifted until the appeal is heard.
4. The suspension shall not apply to the level of competition in which the default occurred if, in the opinion of the Chief Umpire of the NOCA, the team in question has a reasonable explanation for a default.

TEAM MEETING:

Prior to the start of the first draw, a team meeting will be scheduled. At least one member of your team must attend the team meeting with the Umpire, other NOCA Umpires, and the host committee as scheduled and before play commences. At this time any questions your team may have on the draw, officiating or rule interpretation will be discussed.

At least one player or coach from your team must attend the team meeting, otherwise your team will forfeit last rock advantage (or choice of positioned stones in Mixed Doubles) for subsequent non-playoff games.

PRACTICE:

1. All events will have a pre-competition practice session of ten (10) minutes per team per competition sheet as scheduled.
2. Each game shall also have a pre-game practice session of nine (9) minutes per team which starts thirty (30) minutes prior to the scheduled draw time.

Exceptions:

Mixed doubles pre-game practice is six (6) minutes, which starts twenty (20) minutes prior to the scheduled draw time.

Wheelchair pre-game practice is ten (10) minutes, which starts thirty (30) minutes prior to the scheduled draw time.

3. A team receiving a bye due to default will be permitted to practice on the sheet of ice that they would have played on for the length of time that the game would have taken.

Competitor Guide 2017 NOCA Women's Provincials

4. Practice before the pre-competition practice shall not be allowed for 24 hours prior to the start of the competition unless player(s) are members of the host club and are scheduled to play in a regularly scheduled league game.
5. No practice other than pre-game or pre-competition practice will be allowed including practice on a sheet by either team just having conceded a game early. The only exception is possible practice given to a first place team when a semi-final and final are scheduled. This is at the discretion of the Chief Umpire.

COACHING:

1. All U18 and U21 teams must be accompanied by a coach. Any team with a coach who is under the age of 18 must be accompanied by a chaperone who is over the age of 21.
2. All coaches coaching youth under the age of 18 must have a Criminal Records Check which is to be renewed every three years. A coach may obtain a Criminal Records check through Sterling Backcheck, a company that NOCA has partnered with to assist coaches with securing a Criminal Records check in a timely and affordable manner. Should a coach choose not to use this service, the NOCA office will provide a letter to any coach indicating that they require a CRC to provide to their municipality or OPP detachment.
3. At all levels of competition, coach training will be required. All coaches must have paid the NOCA per capita fee and be trained as per the table below. Only qualified coaches will be granted access to the ice surface, team meetings and any other integrated events at any point during the competition. Coaches must provide their NCCP number on the team entry form.
 - a) A coach accompanying a team to a Canadian Championship must have a minimum of Competition Coach Certified or equivalent for curling and shall be at least twenty-one (21) years of age.
 - b) A coach is permitted to coach only one (1) team during any competition. This restriction includes any competitions that are run simultaneously at the same place, such as Junior Men and Women. A coach will not be permitted to coach a team in both competitions until such time as one team is eliminated.
4. A team may only have one Official Coach who has access to the team during pre-competition and pre-game practices, timeouts, and 4th (or 5th) end breaks. An alternate coach may be registered for all junior/bantam events leading up to and including the provincial championship. The alternate coach must meet all of the coaching requirements. The alternate coach will be allowed access to the team ONLY when the coach is absent for an entire game. The coach and alternate coach are NOT interchangeable during any one game.

ALTERNATES/SUBSTITUTES

1. The NOCA strongly endorses the utilization of four (4) player teams. In extenuating circumstances, a team shall be permitted to begin play with three (3) players as ruled by the Chief Umpire.
2. The Chief Umpire must be advised of any changes to the original team registration. These changes must have been approved by the Executive Director. It is the coach's responsibility to ensure that the appropriate paperwork for any changes has been submitted to the NOCA office before the competition begins.
3. The NOCA permits the use of fifth players at all levels of play except for Mixed, Mixed Doubles, and Travelers Curling Club. Each team must declare their fifth player prior to each level of competition. A team who does not declare a fifth player before the start of the competition must use players from the players' pool only.

For Mixed Provincials only:

- a) If there is a spare pool available, you must take a player from the Spare Pool.
- b) If a player has to leave a game, or is unable to play a game, then the player of the same gender will throw the stones of the missing player, in the missing player's position.
Example: If the missing player was the third, then the lead will throw their stones at the lead position, and then throw the stones at the third position.
- c) You may then change your rotation of play at the start of the next end, but the Skip and Vice-Skip must be of different gender.

- 4. ONLY IN THE MEN'S AND WOMEN'S PROVINCIAL CHAMPIONSHIPS SHALL THE FIFTH PLAYER ADVANCE TO THE NATIONAL CHAMPIONSHIP.**
5. Eliminated players may not be used during the same level of competition. *Interpretation:* At any level of competition a player may not become an alternate or spare until that level of competition is completed.
6. Eliminated players may enter the provincial players' pool as required by the host organizing committee. The pool is only open to non-participating and eliminated players from the host region, with the exception of the NOCA Women's provincial where the players' pool is province-wide. A player in the players' pool does not have to pay a competitor fee and may not advance to the next level unless said fee is paid. The players' pool shall be posted and closed prior to the start of the Provincial Championship.

DRAW AND GAMES

1. The NOCA Executive Director and/or Competitions Chair shall be responsible for all draws for the Regions, Qualifiers, or Provincials. All draws will be provided to each team in a timely manner and within five (5) days of the entry deadline.
2. Three (3) games per day may be scheduled for all competitions with the following exceptions:
 - a) Seniors -- three (3) games cannot be scheduled for two (2) consecutive days.
 - b) Masters -- maximum of two (2) games per day may be scheduled.

BRUSHES & EQUIPMENT

Any team equipment which may possibly come into contact with the playing surface is subject to inspection by an umpire prior to or during competitions. If the umpire determines that the equipment/clothing is unacceptable and in conflict with the integrity of fair play, the player or team will be directed to remove the equipment from the playing surface.

NOCA will implement the sweeping moratorium on brush head technology, in compliance with the recent WCF & Curling Canada brush moratorium statements.

NOCA will require that all teams competing in events operated directly by NOCA i.e. Region events, Qualifiers, and Provincial Championships, to comply with the moratorium. The ONLY exception to this will be the U18 and Travelers Curling Club Region events for the 2016-17 season.

- The penalties and infractions for players and teams that do not obey the sweeping regulations will be implemented. Please have a look at the moratorium for penalty details.
- Ensure to read the moratorium carefully as it is the duty of the player to be aware of the changes and new rulings within the document.
