A Message from the Northern Ontario Curling Association's HDT Coordinator...

The Northern Ontario Curling Association is so excited to provide its member clubs and youth curlers a premier youth skills competition for the second time. Nothing will be more exciting for me than seeing the smiles on the faces of the kids competing at this year's varying events.

This year will be a year to keep the rocks moving and improving on your scores from last year! We want to get many clubs enrolled, so that many kids can compete and have a positive introduction to competition. Hit, Draw and Tap is fun, inclusive, age and stage appropriate, easy to administer and affordable for clubs and participants.

The format makes it easy for clubs and families. We will utilize technology to help us with score-keeping, playing and the registration process. Sudbury, the host site of the Ladies Provincial Championship is ready to welcome some of these future champions. The HDT Northern Ontario Provincial Championship will be held during the NOCA Scotties Provincial Curling Championships at the Idylwylde Golf & Curling Club in Sudbury on January 14, 2018.

Contact your club's Youth Curling Coordinator for details about your club's plans to host a HDT championship, and clubs should contact the NOCA to register their event!

I look forward to seeing the finalists in 2018!

Good Curling!

1. About Hit, Draw and Tap

The Northern Ontario Curling Association is launching, for a 2nd year “Hit, Draw and Tap” in the 2017-2018 season. Last year it was an instant success – over 184 youth participated in the first year! “Hit Draw and Tap” is modelled after the NFL’s Punt Kick Pass or Golf’s – Drive, Chip, Putt.

Hit, Draw & Tap or “HDT,” as we like to call it is a youth skills competition where youth age 6-17 compete as individuals. HDT will group youth into four different age categories, and perform three different shots – a “Hit,” a “Draw” and a “Tap.” The difficulty of the skills is modified based on the age of the participant.

Curling clubs in Northern Ontario are encouraged to host a HDT competition at their convenience – you can run it as a recruitment event during an OPEN HOUSE week, or you can build it into your Youth Curling Programs – practicing the skills as part of their regular programming, whatever works for your club is OK with us – as long as all competition results are received by January 1, 2018.

Participants will compete within their local club – and repeat each skill 5 times for a total score that will be compared against others in Northern Ontario on a “Leader Board” – the TOP 5 curlers in each age group + ties will qualify for the Hit – Draw – Tap Championship to be held in Sudbury on January 14, 2018 as part of the Northern Ontario Scotties Provincial Championship. Winners who are not able to travel to Sudbury would perform the skills again and be recorded on video. Results of their performance would be kept secret until the Ladies Provincials. Winners who are able to attend the Provincials would do so and compete live instead of being recorded on video. All others would have their performance shown on video.

The \$50 club registration fee would be used to secure great giveaways, ribbons, medals, trophies, etc. for the participants.

If you’re already a curler, bring a friend, they don’t have to be a curler or member of a club to compete in the championship!
