

NOCA is committed to providing opportunities for younger curlers to compete and improve. As a result, and with the help and commitment from a number of individuals, the following program will continue for the 2019-2020 season.

Youth Challenges:

The challenges are a number of events aimed at **Developing** bantam, elementary, high school, and younger junior teams, including mixed teams. Divisions will be created in each event based on the competitive skill and experience of the teams.
