CHAMPIONSHIP COMMITTEE

NOCA President:

Michael Szajewski michael.szajewski@curlnoc.ca

Umpires:

Kim Beaudry (807) 274-2921 (cell) (807) 275-6067 (work cell)
(Regions 1-3) kbeaudry@curlnoc.ca

Claude Peloquin (705) 840-2985 (705) 499-6900 (cell)
(Regions 4-6) cpeloquin@curlnoc.ca

Competitions Committee:

Karen Saarimaki (807) 854-1739 (807) 854-8496 (cell)
Chair karen.saarimaki@curlnoc.ca
Linda Vellinga lvellinga@curlnoc.ca
Glen Poirier gpoirier@curlnoc.ca
Amanda Gates amanda.gates@curlnoc.ca
Bryan Burgess bryan.burgess@curlnoc.ca

Officiating Committee:

Karen Saarimaki (807) 854-1739 (807) 854-8496 (cell)
Chair karen.saarimaki@curlnoc.ca
Claude Peloquin cpeloquin@curlnoc.ca
Kim Beaudry kbeaudry@curlnoc.ca

Executive Director:

Leslie Kerr (807) 598-0051 (office/cell)
leslie.kerr@curlnoc.ca

Competitor Guide 2020 NOCA U18 NOCA Provincial

U18 PROVINCIALS:

Congratulations! Your team has qualified for the field of sixteen (16) teams (eight boys' teams and eight girls' teams) competing in the U18 Provincials March 4 – 8, 2020 at the Community First Curling Centre in Sault Ste. Marie.

CANADIAN U18 CURLING CHAMPIONSHIP:

The winning U18 Boys' and U18 Girls' teams **as well as the runner-up teams in each division** shall advance to the Canadian U18 Curling Championship April 21 – 26, 2020 in Sudbury, Ontario.

The winning teams shall be the Northern Ontario teams, and the runner-up teams shall be the Host teams at the Canadian Championship.

Competitor Guide 2020 NOCA U18 NOCA Provincial

COMPETITION FORMAT:

The Northern Ontario Provincial Championship for U18 (both male and female) will be an eight (8) team round robin competition for each gender with a SEMI-FINAL and FINAL to declare a champion.

(NOTE: If there are fewer than 8 teams in a competition, then the format will be changed according to the current [NOCA Competition Summary document](#) available on the NOCA website.)

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – ROUND ROBIN DRAWS

In each draw the team listed first shall have top of the scoreboard color and practice first for ten (10) minutes, beginning thirty (30) minutes prior to the posted draw time. The team listed second, shall have bottom of the scoreboard color and practice immediately following the first team's draw to the button for last stone advantage.

A team is allowed to throw its own stones during practice and not those of the opposition.

Last Stone Advantage:

Last stone advantage in the first end (hammer) will be decided by a draw to the button following each team's nine (9) minute pre-game practice. Two different players from each team will each deliver a stone (full sweeping allowed, one player must hold the target broom) and the better total distance of the two draws between the two teams will receive last stone advantage in the first end. Each player has a maximum of one minute to throw the draw shot after the pre-game practice and the Umpire's announcement. Stones not delivered within the time allotted by the umpire will be assigned a distance of 185.40 cm (the stone must reach the nearer tee line before time expires).

The team practicing first will deliver the clockwise turn. The team practicing second will deliver the counter clockwise turn. Failure to throw the correct turn on any draw will result in a distance of 185.4 cm being assigned. Teams must notify the Umpire prior to the first practice of the names of the players delivering stones. Failure to do so will result in a distance of 370.80 cm being assigned to the team(s).

Once the first team has thrown its' two stones, the team shall leave the ice and the second team will practice. If the second team registers the same two-stone distance as the team with first practice, the teams will alternate players delivering one (1) stone with the same rotation as in practice until the tie is broken. Any player on the team can deliver the third and any subsequent stone including the players who delivered the first two stones, until the hammer is decided.

NOTE: Total Draw Distance is the cumulative total of all draw distances for last stone advantage (hammer), in each game, for each team (excluding tie-breakers and playoff games). Only the combined distance of the first two draw attempts for last stone advantage will be recorded for the Total Draw Distance required at the end of round robins to break unsolvable ties. The highest two draws will NOT be counted in the Total Draw Distance.

Each lead, second, third and skip on each team will deliver a minimum of two (2) draw shots for last stone advantage during the event (unless there are only two teams then a minimum of one draw shot).

Competitor Guide 2020 NOCA U18 NOCA Provincial

The draw to the button shall be played towards the home end. A team utilizing a fifth player must have a minimum of four (4) team members throw the draw for hammer during the event.

Umpires will assume that every team that wins the last stone draw will want the last stone in the first end. If there is any time that a team does not want the last stone if they win the last stone draw, then they must inform the Umpire before the start of their practice.

Opposing teams must remain behind the glass during their opponent's pre-game practice. If that is not feasible, then the opposition must stand as far behind the sheet as possible, so as not to distract or intimidate the other team.

A draw to the button for last stone advantage that is moved by a team member prior to the measure will be assigned the distance to the next defined circle away from the button.

- In or touching the button = 15.24 cm (subject to change if the bottom diameter is more than one (1) foot)
- In or touching the four foot = 60.96 cm
- In or touching the eight foot = 121.91 cm
- In or touching the twelve foot = 182.88 cm

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to as close to its original position by the delivering team.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – TIE-BREAKERS & PLAYOFFS

Following the conclusion of the round robin competition the top three (3) teams will advance to the playoff round. The teams that finished second and third will participate in a semi-final with the winner of the semi-final then playing the first place team in the championship final game.

Teams that complete the round robin with identical win/loss records are considered to be tied. Teams tied for a playoff position shall only be eliminated from the playoffs by playing a tie-breaker game(s).

The Chief Umpire will make all decisions with regard to the administration of tie-breakers. Additional information relative to tie-breakers and sheet assignments will be discussed by the Chief Umpire with the teams involved after the last game of the round robin. (see NOCA Tie Breaker Review Document)

Immediately after the three playoff positions have been determined and prior to each playoff game, each team involved in the next scheduled playoff game shall be asked by the Chief Umpire to select their choice of stone handle color. Each team shall be allowed a maximum of 15 minutes to make its selection. Failure to comply shall result in a set of stones being assigned. Upon the conclusion of each playoff draw, the same process shall be implemented again. In all playoff games a complete set of rocks from any sheet must be chosen.

Competitor Guide 2020 NOCA U18 NOCA Provincial

In all playoff games, a team finishing ahead of another team (according to win/loss record) will gain last stone advantage AND choice of stone colour.

When the round robin win/loss record of the two teams involved in a playoff or tiebreaker game(s) is the same, the team that won the game between the two during the round robin shall have choice of either last stone **OR** stone colour **UNLESS** their ranking has been determined by the Total Draw Distance, then those results shall provide **choice of color OR second practice**, and teams will draw to the button for last shot advantage.

When last stone has not been determined by a draw to the button, the team delivering the last stone in the first end will practice first.

The first place team's access to practice ice will be at the discretion of the Chief Umpire. All practice sessions will be supervised and the length of the practice will be at the discretion of the Chief Umpire.

Tie-Breaking Process

When teams are tied for a playoff position, the win/loss record of those teams against each other shall be used to determine their ranking and therefore how the teams are positioned in the playoff draw or tie-breaker game(s).

If a complete ranking of the tied teams cannot be established by a single comparison of the win/loss record of all tied teams, and ties still remain, a second comparison for ranking shall be made utilizing the win/loss records of only the remaining tied teams.

When ranking of tied teams eligible for the playoffs cannot be established by successive comparisons of win/loss records, i.e. unsolvable ties, only those teams that remain tied after such comparisons shall be ranked by implementing the ranking based on the Total Draw Distance of pre-game draw shots to the button for last stone advantage (the highest two draw shots will NOT be counted). The least accumulated distance shall receive the highest ranking until the ranking has been completed.

All tiebreakers shall be played with the stones from the sheet assigned. Stone handles shall not be changed from one set of stones to another.

SCHEDULE & LOCATION FOR EVENT:

The schedule and location of this event will be posted on the NOCA website.

NOTE: If the NOCA deems that due to circumstances that have developed that it is in the best interest of the competition to change the hosting venue, then the venue may be changed.

Please review the Rules Supplement for additional rules and information. The Rules Supplement is common to all competitions.
