CHAMPIONSHIP COMMITTEE

NOCA President:

Michael Szajewski michael.szajewski@curlnoc.ca

Umpires:

Kim Beaudry (807) 274-2921 (cell) (807) 275-6067 (work cell)
(Regions 1-3) kbeaudry@curlnoc.ca

Claude Peloquin (705) 840-2985 (705) 499-6900 (cell)
(Regions 4-6) cpeloquin@curlnoc.ca

Competitions Committee:

Karen Saarimaki (807) 854-1739 (807) 854-8496 (cell)
Chair karen.saarimaki@curlnoc.ca
Linda Vellinga lvellinga@curlnoc.ca
Glen Poirier gpoirier@curlnoc.ca
Amanda Gates amanda.gates@curlnoc.ca
Bryan Burgess bryan.burgess@curlnoc.ca

Officiating Committee:

Karen Saarimaki (807) 854-1739 (807) 854-8496 (cell)
Chair karen.saarimaki@curlnoc.ca
Claude Peloquin cpeloquin@curlnoc.ca
Kim Beaudry kbeaudry@curlnoc.ca

Executive Director:

Leslie Kerr (807) 598-0051 (office/cell)
leslie.kerr@curlnoc.ca

Competitor Guide 2020 Best Western U21 NOCA Provincials

U21 PROVINCIALS:

This event is open to players who are twenty (20) years of age or under on June 30th of the year prior to the Canadian championships.

Your team has decided to participate in the U21 Provincials December 27 – 30, 2019 at the Hearst Curling Club in Hearst. This event will see a field of up to sixteen (16) teams (eight men's and eight women's) compete.

CANADIAN JUNIOR CURLING CHAMPIONSHIPS:

The winning U21 Men's and U21 Women's teams shall advance to the New Holland Canadian Junior Curling Championships, January 18 – 26, 2020 in Langley, British Columbia.

The total entry fee is \$532 which includes a competitor fee of \$54 for each of four players.

Competitor Guide 2020 Best Western U21 NOCA Provincials

COMPETITION FORMAT:

The Northern Ontario Provincial Championship for U21 (both male and female) will be an eight (8) team round robin competition for each gender with a SEMI-FINAL and FINAL to declare a champion.

(NOTE: If there are fewer than 8 teams in a competition, then the format will be changed according to the current [NOCA Competition Summary document](#) available on the NOCA website.)

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – ROUND ROBIN DRAWS

In each draw the team listed first shall have top of the scoreboard color and practice first for nine (9) minutes, beginning thirty (30) minutes prior to the posted draw time. The team listed second, shall have bottom of the scoreboard color and practice immediately following the first team's draw to the button for last stone advantage.

A team is allowed to throw its own stones during practice and not those of the opposition.

Last Stone Advantage:

Last stone advantage in the first end (hammer), will be decided by a draw to the button following each team's nine (9) minute pre-game practice. Within one (1) minute following the pre-game practice, and the Umpire's announcement, a player from the team will deliver a stone (full sweeping allowed, one player must hold the target broom) and the closest draw to the button between the two teams will receive last stone advantage in the first end.

The team practicing first will deliver the clockwise turn. The team practicing second will deliver the counter clockwise turn. Failure to throw the correct turn will result in a distance of 185.4 cm being assigned. Teams must notify the Umpire prior to the first practice of the names of the players delivering stones. Failure to do so will result in a distance of 185.40 cm being assigned to the team(s). Stones not delivered within the time allotted by the umpire will be assigned a distance of 185.4 cm (the stone must reach the nearer tee line before time expires).

If the first team records a distance of 0.00 cm or 185.40 cm with their first stone, a second player from that team will deliver a second stone with the same clockwise turn. If that player records a distance of 0.00 cm or 185.4 cm, the first team shall leave the ice and the second team will practice. If the second team records the same first throw distance as the first team, then another player from the second team will deliver a second stone with the same counter clockwise turn. If the teams are still tied, the teams will alternate players delivering one (1) stone until the tie is broken (using the same assigned turn). Any player on the team can deliver the third and any subsequent stones if necessary.

Only the four 'game' players are allowed on the ice surface during the determination of the hammer.

NOTE: Total Draw Distance is the cumulative total of all draw distances for last stone advantage (hammer), in each game, for each team (excluding tie-breakers and playoff games).

Only the first draw attempt for last stone advantage will be recorded for the Total Draw Distance required at the end of round robins to break unsolvable ties. The highest draw will not be counted in the Total Draw Distance.

Competitor Guide 2020 Best Western U21 NOCA Provincials

Each lead, second, third and skip on each team will deliver a minimum of one (1) draw shot for last stone advantage during the event. The draw to the button shall be played towards the home end. A team utilizing a fifth player must have a minimum of four (4) team members throw the draw for hammer during the event.

Umpires will assume that every team that wins the last stone draw will want the last stone in the first end. If there is any time that a team does not want the last stone if they win the last stone draw, then they must inform the Umpire before the start of their practice.

Opposing teams must remain behind the glass during their opponent's pre-game practice. If that is not feasible, then the opposition must stand as far behind the sheet as possible, so as not to distract or intimidate the other team.

A draw to the button for last stone advantage that is moved by a team member prior to the measure will be assigned the distance to the next defined circle away from the button.

- In or touching the button = 15.24 cm (subject to change if the button diameter is less than one foot)
- In or touching the four foot = 60.96 cm
- In or touching the eight foot = 121.91 cm
- In or touching the twelve foot = 182.88 cm

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to as close to its original position by the delivering team.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – TIE-BREAKERS & PLAYOFFS

Following the conclusion of the round robin competition the top three (3) teams will advance to the playoff round. The teams that finished second and third will participate in a semi-final with the winner of the semi-final then playing the first place team in the championship final game.

Teams that complete the round robin with identical win/loss records are considered to be tied. Teams tied for a playoff position shall only be eliminated from the playoffs by playing a tie-breaker game(s).

The Chief Umpire will make all decisions with regard to the administration of tie-breakers. Additional information relative to tie-breakers and sheet assignments will be discussed by the Chief Umpire with the teams involved after the last game of the round robin. (see NOCA Tie Breaker Review Document)

Immediately after the three playoff positions have been determined and prior to each playoff game, each team involved in the next scheduled playoff game shall be asked by the Chief Umpire to select their choice of stone handle color. Each team shall be allowed a maximum of 15 minutes to make its selection. Failure to comply shall result in a set of stones being assigned. Upon the conclusion of each playoff draw, the same process shall be implemented again. In all playoff games a complete set of rocks from any sheet must be chosen.

Competitor Guide 2020 Best Western U21 NOCA Provincials

In all playoff games, a team finishing ahead of another team (according to win/loss record) will gain last stone advantage **AND** choice of stone colour.

When the round robin win/loss record of the two teams involved in a playoff or tiebreaker game(s) is the same, the team that won the game between the two during the round robin shall have choice of either last stone **OR** stone colour **UNLESS** their ranking has been determined by the Total Draw Distance. Those results shall provide **choice of color OR second practice** and teams will draw to the button for last stone advantage.

When last stone has not been determined by a draw to the button, the team delivering the last stone in the first end will practice first. A team is allowed to throw its own stones during practice and not those of the opposition.

The first place team's access to practice ice will be at the discretion of the Chief Umpire. All practice sessions will be supervised and the length of the practice will be at the discretion of the Chief Umpire.

Tie-Breaking Process

When teams are tied for a playoff position, the win/loss record of those teams against each other shall be used to determine their ranking and therefore how the teams are positioned in the playoff draw or tie-breaker game(s).

If a complete ranking of the tied teams cannot be established by a single comparison of the win/loss record of all tied teams, and ties still remain, a second comparison for ranking shall be made utilizing the win/loss records of only the remaining tied teams.

When ranking of tied teams eligible for the playoffs cannot be established by successive comparisons of win/loss records, i.e. unsolvable ties, only those teams that remain tied after such comparisons shall be ranked by implementing the ranking based on the Total Draw Distance of pre-game draw shots to the button for last stone advantage (the highest draw shot will NOT be counted). The least accumulated distance shall receive the highest ranking until the ranking has been completed.

All tiebreakers shall be played with the stones from the sheet assigned. Stone handles shall not be changed from one set of stones to another.

SCHEDULE & LOCATION FOR EVENT:

The schedule and location of this event will be posted on the NOCA website.

NOTE: If NOCA deems that due to circumstances that have developed that it is in the best interest of the competition to change the hosting venue, then the venue may be changed.

Please review the Rules Supplement for additional rules and information. The Rules Supplement is common to all competitions.
