ABC Curling Event

We just sent you a receipt email with your order details.

It is MANDATORY that ALL of your teammates register and accept our waiver before the competition deadline if they haven't already created a profile and accepted one this season. Please send them this link so they can check and register: https://nocacurling.io/en/accepted_waivers

You can check back as often as you like to see which leagues and competitions you are participating in.

10. All members of your team including the coach MUST create a profile (if they don't have one from last year) and agree to the terms of a waiver. The link for this is below, is in the thank you message, and also will be included in a confirmation email you will receive once your order is complete.
https://nocacurling.io/en/accepted_waivers
11. When they click on this link, each player will have to login either using a gmail account or other email address to create a curler profile if they don't have one, and agree to the terms of the waiver. If a curler profile already exists from last year, they will automatically be directed to the waiver. The curler profile determines which waiver they will be directed to (Adult or Youth).
12. Simply type "I agree" in the box at the bottom of the waiver, and click done.

NOTE: Your team registration won't be complete until all of the players and the coach have created a profile and have agreed to the waiver. If the player is under the age of 18, their parent/guardian will have to agree to the Youth Waiver.
