

# Club Delegate

**Made in Northern Ontario  
for Northern Ontario!**

Every affiliated NOCA curling club has a **Club Delegate** who votes on actions and initiatives of NOCA at the Annual General Meeting (AGM).

**They are the key communication connection to curling club members and their boards of directors (and managers) across the north.**

## Who are the Club Delegates?

Each club appoints or elects a NOCA **Club Delegate** to speak and vote on their behalf. Club Delegates are interested in how the Member Association works and how their club can benefit from being a member of NOCA.

**Looking to be involved in NOCA?**  
Interested in working behind the scenes for curlers in Northern Ontario?  
**Want to ensure the curlers of all ages and abilities at your club have access to NOCA resources and programs?**  
**Want your club to host more curling events?**

## What does a Club Delegate Do?

The NOCA **Club Delegate** communicates regularly with the Regional Director, Executive Director and all region Club Delegates at Fall and Spring Regional meetings (virtual). A strong link will allow Club Delegates to find answers to questions, network with Club Delegates in the region, request direction and support regarding NOCA resources, event hosting and more.

The **Club Delegate** organizes the payment of NOCA Fees to the Executive Director early in the curling season.

The **Club Delegate** is encouraged to report in person, virtually, or in writing to the club's board (and manager) at monthly, semi-annual or annual meetings.
