Competitor's Guide – 2022 NOCA Provincial Curling Club Championships

CURLING CLUB CHAMPIONSHIP NOCA PROVINCIALS:

Congratulations. Your team has qualified for the field of twelve (12) teams (six men's and six women's) competing in the Curling Club NOCA Provincials March 24 – 27, 2022 at the Hearst Curling Club in Hearst.

Because there is no sponsor of this event, each team travelling to the Provincial Curling Club Championship will NOT receive any travel or accommodation assistance.

The winning men's and women's teams will advance to the Canadian Curling Club Championship to be held Nov. 20 – 26, 2022, location TBD.

Curling Club Eligibility Requirements for 2021-22

We trust all curling rinks will respect the intent of the spirit of the Curling Club Championships by engaging their members to participate and to represent their curling club in any process leading to the provincial/territorial championships and ultimately, leading to the Canadian Curling Club Championships. The event was created for club-based teams.

Here are the eligibility requirements for events leading to the national Curling Club Championships. Curling Canada reserves the right to exclude any team that violates the spirit and intent of this event as it pertains to the rules below.

- 1) Participating curling clubs **must be** affiliated with its Provincial / Territorial Curling Association. They must be in good standing with all applicable dues to the Association paid in full.
- 2) Any competitor (including 5th players and spares) **must be** members in good standing of an affiliated curling club for the duration of the process. Example, you compete in 2019-20 to win your provincial/territorial event. You win the right to represent your province or territory at the Canadians which would be held in 2020-21. All players including 5th players or spares must be members of the same club in both years. Note: residency exemptions may be granted if a player moved from one province/territory to another in the off season between events.
- 3) A competitor **is not** required to be a Canadian citizen.
- 4) A **5th player** may compete at any level of competition including the Canadian Championships. If they play, they must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8. **No exceptions.** Any 5th player costs will be the responsibility of the team.
- 5) Once a four-person team enters the club championships playdowns, a maximum of one (1) spare from the club is allowed **at any level of competition.** A team can use an eligible spare for **any game** played assuming the spare is eligible based on Rule 2). The spare may be a different player each game. The spare must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8. **No exceptions.** A team with a registered 5th player **may not** add a spare or replacement player.
- 6) **Prime directive**
 - (a) A team must field **three of the four** original players for each game played at any level of the Curling Club Championships. "Original" means signed up and registered for league play in their club, **OR** signed up and registered for a special curling club championship qualifying event created within their club (with the permission of their Member Association). If an "Original" team only has three players, then those three players must be on the ice at all times up to and including the national championships.
 - (b) If any team had only three players all year or in the special qualifying event, the team may pick up an eligible spare who must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8..
 - (c) If a team has four players, they are good to go.

Competitor's Guide – 2022 NOCA Provincial Curling Club Championships

- (d) If a team has five players during the season, one player must be designated the "5th" who, if added to the line-up, must play lead and sweep stones 3-8. **Or**, they may choose four (4) players from the 5-person team to participate as a four-player **only** team in the competition.
 - (e) If they have six or more players during the season, the team must declare four (4) players for the competition. They can pick up an eligible spare at any level and the spare must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8. **Or** they can choose five players to advance but one player must be designated the "5th" who must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8.
- 7) All four (4) competitors and any 5th or spare player must be bona fide residents within the geographical area of the Member Association they are intending to represent (unless granted an exemption by the Member Association).
 - 8) A competitor can participate for only one affiliated curling club in one season. If you lose out while playing for one club, you cannot then play for another club unless the Member Association accepts the competitor as a 5th player or spare player.
 - 9) Each Member Association reserves the right to determine the number of teams qualifying from each club.
 - 10) Teams must qualify under one of the following conditions:
 - (a) Regular league players, or;
 - (b) A formal club championship process, or;
 - (c) A special event to determine your Curling Club champions for your club that is not part of your formal club championships.
 - 11)
 - (a) In each of Rule 11)(a)(b)(c), teams must have three (3) or more players who have played together in a sanctioned club league during the current curling season.
 - (b) Clubs that **only have** mixed or open leagues (i.e., no men's only leagues and / or no women's only leagues) **may be granted an exemption to Rule 12)(a)** allowing players to form teams for this special event. They must receive permission from their provincial / territorial Member Association.
 - 12) The use of the delivery stick by any competitor (and any 5th player or spare) **is acceptable** subject to the Curling Canada rules under **Rule 19. Curling With A Delivery Stick**.
 - 13) Teams who play **exclusively** in leagues where teams from different clubs compete and whose players may not be members of the club where the league is hosted, **are ineligible to compete** for the Curling Club Championships. For example, teams playing only in a city-wide super league or major league but not curling in a regular club league. **Please** contact your Member Association if you have any concerns.

14) EXEMPTIONS

Each four-person team is allowed to have one (1) player who, during the previous **three (3) curling seasons**, has participated in the Canadian Mixed; and/or, the Canada Cup; and/or, the Continental Cup; and/or, the Under-21; and/or, the Tournament of Hearts; and/or, the Brier; and/or, the Canadian Seniors; and/or, the Canadian Mixed Doubles; and/or, the Under-18; and/or, the Canadian Wheelchair; and/or, any Canadian Trials or Pre-Trials event; or any provincial / territorial event leading to these events. This same player may have played in a Tier 1 or Tier 2 Grand Slam event in the previous three (3) curling seasons.

For example:

- Craig Savill plays in a Wednesday night league with three friends.
- Craig also represented Ontario last season at the Brier with his elite team.
- Therefore, Craig would be eligible for the Club Championships.

The other three (3) team members of Craig's Wednesday team, however, CANNOT have played in the following:

- (a) Any Tier 1 Grand Slam event in the previous three (3) seasons. They **could** have played in a Tier 2 Grand Slam.
- (b) Any **provincial / territorial championship** leading to the Canada Cup; and/or, the Continental Cup; and/or, the Under-21; and/or, the Tournament of Hearts; and/or, the Brier; and/or, the Under-18; and/or, the Canadian Wheelchair; and/or, any Canadian Trials or Pre-Trials event **in the previous three (3) seasons; OR**, unless their final ranking is less than the threshold established by the respective Member Association (see chart). **Note: any player can have played in any of these events four (4) years and more back in time (regardless of finish) and not affect their eligibility for the Curling Club Championships.**

Threshold: Therefore, if you **are not the 'one'** player on the team without any restrictions, you and/or the other three players and any 5th players and any spares may have competed in any provincial / territorial championship **in the previous three (3) seasons 7)** and still allowed to play in the Curling Club Championships, as long as you don't match or surpass the thresholds set by your province (see chart).

As example, if you competed in the **provincial** Tournament of Hearts in Manitoba and you finished 8th or better You **cannot** play in the Curling Club Championships based on this chart. If you had finished 9th or worse, you would be cleared to play.

Member Association	You are ineligible if.....
Alberta	You qualified for the playoffs in the men's, women's, junior, senior, or mixed doubles provincial championships. This does include the U21 mixed doubles.
British Columbia	You competed in any provincial championship (not including 9 th or lower in the Mixed Doubles)

Competitor's Guide – 2022 NOCA Provincial Curling Club Championships

Manitoba	You finish 8 th or better at any provincial
New Brunswick	You finish in the championship round at provincials OR you finish 3 rd or better at open provincial events.
Newfoundland & Labrador	You finish 3 rd or better at provincials
Northern Ontario	You finish 2 nd or better at provincials
Northwest Territories	You win a territorial championship
Nova Scotia	You finish 3 rd or better at provincials
Nunavut	You win a territorial championship
Ontario	You finish 8 th or better at any provincial
Prince Edward Island	You win a provincial championship
Quebec	You finish 3 rd or better at provincials
Saskatchewan	You finish 8 th or better at any provincial
Yukon	You win a territorial championship

- 16) 5th players at the Canada Cup; and/or, the Under-21; and/or, the Tournament of Hearts; and/or, the Brier; and/or, the Canadian Seniors; and/or, the Under-18; and/or, the Canadian Wheelchair; and/or, any Canadian Trials or Pre-Trials event are considered as **not to have played** in those events.
- 17) Competitors (**as individuals or as a team**) who competed in the **previous season's** national Curling Club Championships are **ineligible** to compete the following season **at any level** including as 5th players or spares. For example, if you were a participant at the **2019 national curling club championships**, then you cannot participate at any level to compete in **2020 Curling club championships**.
- 18) A minimum of three (3) players must be a **minimum of nineteen (19) years of age** or over as of June 30th, 2021.
- 19) Any team is allowed **one (1) player** under nineteen (19) years of age whom shall be considered a "minor". They must be accompanied by a legal guardian (or a chaperone identified by the legal guardian) for the duration of the event including departure from home and return to their home. A legal guardian can be a parent on the team. The team is responsible for all costs associated with legal guardian who is not a team member.
- 20) Curling Canada has the sole authority to grant exceptions to these rules in extraordinary circumstances. Any request must be submitted by the Provincial / Territorial Member Association. Curling Canada will consult with the Provincial / Territorial Member Association and will notify them within five (5) business in writing of any decision. The Curling Canada decision may not be appealed.

Competitor's Guide – 2022 NOCA Provincial Curling Club Championships

COMPETITION FORMAT:

The Northern Ontario Curling Club Provincial Championship (both male and female) will be a six (6) team round robin competition for each gender with a one game FINAL to declare a champion.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – Round Robin

In each draw the team listed first shall have top of the scoreboard color and practice first for ten (10) minutes, beginning thirty (30) minutes prior to the posted draw time. The team listed second, shall have bottom of the scoreboard color and practice immediately following the first team's draw to the button for last stone advantage.

A team is allowed to throw its own stones during practice and not those of the opposition. Last stone advantage in the first end (hammer) will be decided by a draw to the button following each team's nine (9) minute pre-game practice. Two different players from each team will each deliver a stone (full sweeping allowed, one player must hold the target broom) and the better total distance of the two draws between the two teams will receive last stone advantage in the first end. Each player has a maximum of one minute to throw the draw shot after the pre-game practice and the Umpire's announcement. Stones not delivered within the time allotted by the umpire will be assigned a distance of 185.40 cm - the stone must reach the nearer tee line before time expires (199.6 cm if a laser measure is used).

The team practicing first will deliver the clockwise turn. The team practicing second will deliver the counter clockwise turn. Failure to throw the correct turn on any draw will result in a distance of 185.4 cm being assigned. Teams must notify the Umpire prior to the first practice of the names of the players delivering stones. Failure to do so will result in a distance of 370.80 cm being assigned to the team(s) (399.2 if a laser measure is used).

Once the first team has thrown its' two stones, the team shall leave the ice and the second team will practice. If the second team registers the same two-stone distance as the team with first practice, the teams will alternate players delivering one (1) stone with the same rotation as in practice until the tie is broken. Any player on the team can deliver the third and any subsequent stone including the players who delivered the first two stones, until the hammer is decided.

Only the four 'game' players are allowed on the ice surface during the determination of hammer

NOTE: Total Draw Distance is the cumulative total of all draw distances for last stone advantage (hammer), in each game, for each team (excluding tie-breakers and playoff games). Only the combined distance of the first two draw attempts for last stone advantage will be recorded for the Total Draw Distance required at the end of round robins to break unsolvable ties. The highest two draws will NOT be counted in the Total Draw Distance.

Each lead, second, third and skip on each team will deliver a minimum of two (2) draw shots for last stone advantage during the event. The draw to the button shall be played towards the home end. A team utilizing a fifth player must have a minimum of four (4) team members throw the draw for hammer during the event.

Competitor's Guide – 2022 NOCA Provincial Curling Club Championships

Umpires will assume that every team that wins the last stone draw will want the last stone in the first end. If there is any time that a team does not want the last stone if they win the last stone draw, then they must inform the Umpire before the start of their practice.

Opposing teams must remain behind the glass during their opponent's pre-game practice. If that is not feasible, then the opposition must stand as far behind the sheet as possible, so as not to distract or intimidate the other team.

A draw to the button for last stone advantage that is moved by a team member prior to the measure will be assigned the distance to the next defined circle away from the button.

- In or touching the button = 15.24 cm (29.44 cm if a laser measure is used)
(subject to change if the bottom diameter is more than one (1) foot)
- In or touching the four foot = 60.96 cm (75.16 cm)
- In or touching the eight foot = 121.92 cm (136.12 cm)
- In or touching the twelve foot = 182.88 cm (197.08 cm)

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to as close to its original position by the delivering team.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – Tiebreakers and Playoffs

Following the conclusion of the round robin competition the top two (2) teams shall participate in a Championship FINAL game.

Teams that complete the round robin with identical win/loss records are considered to be tied. Teams tied for a playoff position shall only be eliminated from the playoffs by playing a tie-breaker game(s).

The Chief Umpire will make all decisions with regard to the administration of tiebreakers. Additional information relative to tiebreakers and sheet assignments will be discussed by the Chief Umpire with the teams involved after the last game of the round robin. (see NOCA Tiebreaker Review Document)

Immediately after the two final playoff positions have been determined and prior to the FINAL playoff game, each team involved shall be asked by the Chief Umpire to select their choice of stone handle color. Each team shall be allowed a maximum of 15 minutes to make its selection. Failure to comply shall result in a set of stones being assigned. In the playoff game a complete set of rocks from any sheet must be chosen.

In the FINAL playoff game, if the team ranked first finished clearly ahead of the team ranked second, they will have last stone advantage **AND** choice of colour.

When the round robin win/loss record of the two teams involved in a playoff or tiebreaker game(s) is the same, the team that won the game between the two during the round robin shall have choice of either last stone **OR** stone colour **UNLESS** their ranking has been determined by the Total Draw Distance, then those results shall provide **choice of color AND second practice**, and the teams will draw to the button for last stone advantage.

Competitor's Guide – 2022 NOCA Provincial Curling Club Championships

When last stone has not been determined by a draw to the button, the team delivering the last stone in the first end will practice first.

Tiebreaking Process

When teams are tied for a playoff position, the win/loss record of those teams against each other shall be used to determine their ranking and therefore how the teams are positioned in the playoff draw or tiebreaker game(s).

If a complete ranking of the tied teams cannot be established by a single comparison of the win/loss record of all tied teams, and ties still remain, a second comparison for ranking shall be made utilizing the win/loss records of only the remaining tied teams.

When ranking of tied teams eligible for the playoffs cannot be established by successive comparisons of win/loss records, i.e. unsolvable ties, only those teams that remain tied after such comparisons shall be ranked by implementing the ranking based on the Total Draw Distance of pre-game draw shots to the button for last stone advantage (the highest TWO draw shots will NOT be counted unless there are only two teams in the event). The least accumulated distance shall receive the highest ranking until the ranking has been completed.

All tiebreakers shall be played with the stones from the sheet assigned. Stone handles shall not be changed from one set of stones to another.

SCHEDULE & LOCATION FOR EVENT:

The schedule and location of this event will be posted on the NOCA website.

NOTE: If the NOCA deems that due to circumstances that have developed that it is in the best interest of the competition to change the hosting venue, then the venue may be changed.

Please review the Rules Supplement for additional rules and information. The Rules Supplement is common to all competitions.
