

**Purpose of the Championship:**

The Curling Club Championships have been designed for curling club teams consisting of curling club members, who support curling club leagues, at the same curling club.

This championship is an opportunity for those curlers that support curling clubs and mostly do not have the time or resources to chase the dream of representing Canada at a World Championship or Olympic Games but still enjoy competitive play and representing their Province or Territory at a Championship.

Curling Canada reserves the right to exclude any team that violates the spirit and intent of the event as it pertains to the rules attached.
